Instructions for QR Discount Codes
for use at Exit Only

EasyPark **entry/exit gate equipment**

Entry

Press the blue button for a garage entry ticket.

This ticket will be used upon exit, before scanning your QR discount code.

Exit Step 1

Insert your garage entry ticket.

Exit Step 2

Scan QR code when prompted.

Hold the QR code a couple inches away from the device for best results. The QR code reader will be glowing red when the reading unit is active.

!

If you need assistance:

Use the "call button" on the bottom-right side of the entry/exit gate or call 297-4471.

!

QR codes can be either printed on paper, or saved to your mobile phone as an image. Both will work at any EasyPark entry/exit gate.
